Character at Invergowrie

An excellent opportunity to secure a 4 Bedroom home on a total of ten, picturesque acres at Invergowrie.

Both the main dwelling and the sleep-out are round house (Yurt) configurations, providing superior heating and cooling capabilities to a conventional dwelling as air and heat transfers easier throughout the home.

The Living area is central to the home featuring both, wood heating and reverse cycle air. Plus a large skylight adorns the ceiling allowing light to penetrate into all rooms in the home.

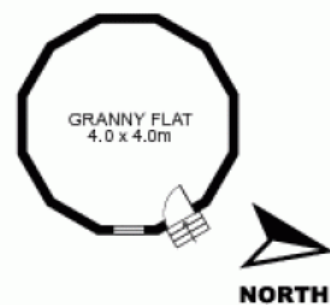

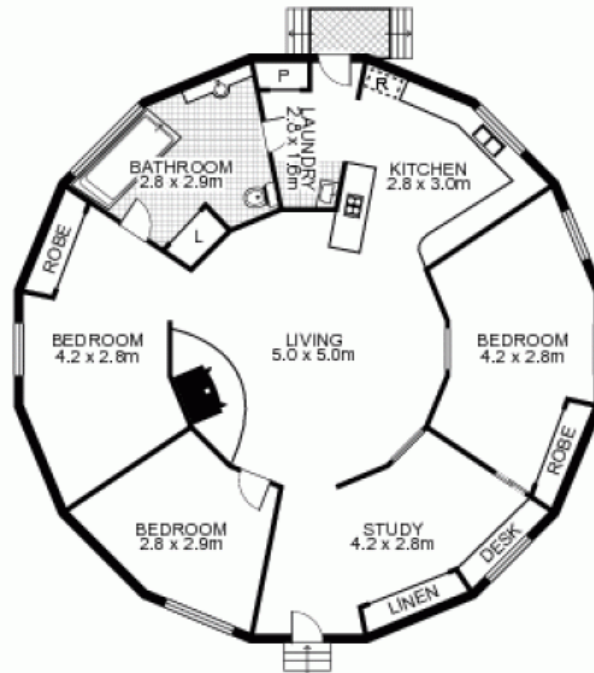

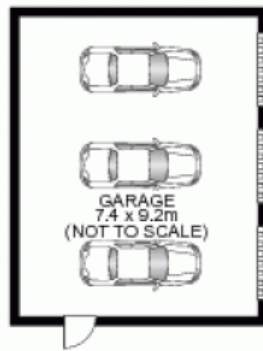

The Kitchen offers electric cooking, pantry and beautiful timber benchtops and the layout provides an efficient space to prepare meals.

A dual access bathroom offers, with bath, shower, vanity, toilet and storage cupboards.

3 bedrooms round out the sleeping arrangements. Two with Built ins and the third with open hanging and shelf space. The fourth bedroom is separate to the main dwelling, perfect as
