

244 Donald Road Armidale, NSW

Build your dream here!

Excellent 100 acre building block just minutes from Armidale. Currently holds a building entitlement, with an almost endless array of home sites to pick from and power already running through the block.

Undulating ground with primarily basalt soil composition. Subdivided into 4 paddocks with good fencing.

Water also features with multiple dams and good catchment areas.

90% Arable with estimated 32inch yearly rainfall.
