

404 Gostwyck Road Uralla, NSW

Opportunity in the New England high country!

Nestled onto one of the most prominent hill sides Uralla has to offer, Windee? holds the affectionate title as one of the finest properties in the local area. No stone has been left unturned throughout the entirety of the properties 358 acres.

Water is considered very good with 12 dams across the property plus a fully operational Solar powered bore. Each dam comes with significant key lining (contour banks) for improved catchment.

Infrastructure is extensive with a huge 4 bay machinery shed, a second workshop shed with an integrated and fully functioning 2 bedroom granny flat, elevated twin stand shearing shed and full steel cattle yards with covered crush and loading ramp.

Windee is a true once in a lifetime property.
